

# German visitors given tour of region highlights

**Together: members of the two twinning associations celebrate their friendship**

**GUESTS** from Lymington's twinning town in Germany were shown the delights of the local area on a recent visit.

Thirty-four guests from Mosbach were treated to a day coach trip to the Isle of Purbeck and visits to Durlston Country Park and Castle and the village of Corfe on the first

day after their arrival.

They were also led on a walk through Bolderwood by Forestry Commission volunteer Les Clements, and went to the Old Gaffers Festival in Yarmouth.

The two mayors of the towns, Lymington's Michael White and Mosbach's Michael

Keilbach, met at a buffet supper at Boldre Hall catered by Rosie Lea's of Brockenhurst.

On the final day, the guests headed to Hampton Court Palace before their flight back to Heathrow.

John Ward, from Lymington Twinning

Association, said a return trip to Mosbach was planned for 2015.

Lymington is also twinned with towns in France and Spain. For more information or to join the association go to [www.lymingtontwinning.weebly.com](http://www.lymingtontwinning.weebly.com)
